

yogaview Teacher Training Scholarships for People of Color

yogaview is committed to making our studios and the yoga community at large more inclusive and accessible to people of color. There is an extreme underrepresentation of indigenous people and people of color in the yoga world. We are determined to do what we can to change it, and believe an impactful starting point is to train more POC yoga instructors.

yogaview's POC teacher training scholarship program offers partial scholarships to at least 2 qualifying individuals/ training. To qualify, prospective students must:

- Self-identify as a person of color
- Be able to attend all dates of the training
- Have had a consistent yoga practice for at least 2 years

To apply, send us a 1-2 page application letter addressing the following topics:

- How long have you been practicing yoga, and who or what have been your primary influences?
- What is your intention behind taking the teacher training?
- How has yoga benefitted you?
- How much help do you need with tuition and what are the circumstances warranting your need for financial assistance?
- Tell us something about yourself that you think will help you be successful in the training.
